

Fundamental Bushcraft

Pre-Course Information

Preparing your path to discovery...

THE COURSE SITE, FACILITIES AND EQUIPMENT PROVIDED

The Course Site

This course will be conducted from an expedition style camp set amongst the beautiful English woodland of a large, private estate in East Sussex. It is a hidden gem and a wonderful example of ancient British woodland, containing staggering specimens of Oak, Beech and Yew trees. Being England's oldest deer park, it really does feel wild and it's not hard to see why some of the most eminent figures in British history chose to spend some of their leisure time here. Henry VIII hunted here on several occasions, as did, on one occasion, his daughter Elizabeth I, spending six days hunting in 1573.

With three species of deer, foxes, badgers, hares ~ not to mention the array of bird life it is blessed with, your time spent here is guaranteed to be an experience in itself.

Although there are public footpaths in some areas of the estate, it is little known and in general is very secluded.

Having met in Tunbridge Wells, driven in convoy to the estate and parked, we will walk 900 metres to the camping area where you will have space to set up your personal camp. This beautiful area is made up mainly of broadleaf deciduous trees with plenty of flat, level areas for you to set up a tent and more than enough trees to string a tarp or a hammock between.

As well as your own camping set-up, there will be a communal area which will be used both for lectures as well as coffee breaks. Here you will find a circle of logs for seating, a black board, a fire, a kettle and a brew box.

A thorough camp tour will be given on your arrival to help you familiarise and hygiene measures will be discussed.

Catering

This is a catered course so your food will be provided for you with meals either prepared for you onsite by our experienced team or in the form of ration packs which will be provided with a stove and billy can for your individual use. In addition, you will be issued with your own jerry can at the start of the course with fresh drinking water, which can be refilled when needed. There will also be the opportunity to cook fresh meat or fish over the fire during the week.

For refreshments, the communal brew box is stocked with tea, coffee, milk, sugar, hot chocolate, fruit squash and biscuits.

Washing up bowls are also provided along with sponges and washing up liquid. Andy Handys and soap are provided for hand washing.

Toilets and Showering

You will be provided with your own toilet kit, including toilet roll, a lighter and hand gel for use at the latrine trench. This is a simple, tried and tested hygienic method. You will be taught the best hygiene practices to ensure everyone is safe and to ensure that we preserve the sensitive spring water sourced from this very special course site.

If you would like to have a shower, we have a canvas bag shower in a private area and a bucket for heating water over the fire. You may find it useful to bring some flip flops or similar to avoid getting your feet dirty while showering.

Equipment

The following items will be provided by Woodlore for your use during the course:

Tarp

A tarp is a waterproof sheet that provides a very simple way to form a shelter from the elements. You will be taught how to erect a tarp properly and set yourself up comfortably for the night.

Fixed blade knife

You will be given a <u>Morakniv Companion Heavy Duty MG Knife</u> to use which is yours to take home at the end of the course. However, if you are under the age of 18 you will not be able to take this away from the course unless there is an adult who can receive it on your behalf at the completion of the course.

Tools

You will be issued with several items that are necessary for various tasks during the week. These will include: a <u>Bahco Laplander Folding Saw</u>, a <u>Steel Striker</u> and piece of flint, a <u>Fire Stick</u>, a <u>Fallkniven DC4 Diamond/Ceramic</u> <u>Whetstone</u> and an <u>S.Djarv Hantverk Spoon Knife</u>. These items must be returned in good order at the end of the course.

We also have very well stocked first aid kits, fire extinguishers and fire blankets for your safety which are kept in our store tent on site. This is an expedition style camp so please take extra care when using sharp tools and take responsibility for any small cuts yourself. However, if you need medical attention or start to feel unwell during the course, please let the course leader or a member of the team know at the earliest opportunity.

Please note that the use of axes is not permitted on this course.

If you wish to use a mobile phone during the course, please consider the other members of the group and switch it on to silent mode.

CLOTHING AND EQUIPMENT CHECKLIST

This clothing and equipment list is designed to help you decide which items to bring and to ensure that you have the best experience possible. Having the right kit will make your experience more enjoyable and enable you to focus more on learning.

In the past we have been asked by clients for help in sourcing certain items of clothing and equipment. This list therefore includes options stocked by Woodlore which have been tried and tested by Ray Mears and the Woodlore Team. There is of course no obligation to buy from us and we will be delighted to offer you advice and guidance to ensure your preparation goes smoothly. With this in mind, please do not hesitate to get in touch with us, even for the slightest query.

All items listed in red are essential for this course. All other items are just recommendations.

ITEM:	SUITABLE OPTION STOCKED BY WOODLORE:	✓
BASE LAYER What you wear next to the skin is of course dependent on the weather you are experiencing at the time. In midsummer it may only be necessary to wear a t-shirt, but if you are attending a course in spring or autumn it would be wise to bring something more substantial such as a woollen thermal layer. That way, you are prepared should there be a cold spell.	 <u>Fjallraven Crowley Pique Shirt</u> or <u>Swazi Micro Shirt</u> or <u>Woodlore Organic Cotton T-Shirt - 40th Anniversary</u> or <u>Woolpower Crewneck LITE with long sleeves</u> or <u>Woolpower Ullfrotte Original Zip Turtleneck 200g</u> <u>5.11 Tactical Long Sleeve Shirt</u> or 	
This should be sturdy, warm and comfortable. A pullover will suffice.	 Fjallraven Singi Trekking Shirt and Fjallraven Abisko Trail Fleece or Paramo Bentu Fleece Jacket or Swanndri Ranger Wool Bushshirt or Swazi The Hood 	
OUTER LAYER This should be waterproof and windproof. Mute, natural colours will increase your chances of observing wildlife closely.	 <u>Buffalo Systems Mountain Shirt</u> or <u>Fjallraven Keb Eco-Shell Jacket</u> or <u>Fjallraven Vardag Hydratic Anorak</u> or <u>Swazi/Ray Mears AEGIS Tahr XP Anorak</u> 	
TROUSERS Lightweight, quick drying cotton trousers are best. Jeans are not suitable, being cold, restrictive and slow-drying.	 <u>Fjallraven Barents Pro Shorts</u> or <u>Fjallraven Vidda Pro Regular Trousers</u> 	
KNEE PADS If your trousers have a pocket for kneepads then these will be an additional benefit on this course.	• <u>Fjallraven Knee Pads</u>	
FOOTWEAR Footwear should be sturdy, give ankle support and have good grip. You will find it most useful to bring a lightweight pair of boots or trainers for dry conditions as well as a pair of waterproof boots in case the weather is bad. Another option, in the event of wet conditions is to wear waterproof/breathable socks inside your dry weather boots.	 <u>Hanwag Tatra Top GTX Boots</u> or <u>Rogue RB-2 Light Trail Boots</u> and <u>SealSkinz Socks</u> or <u>Thorlos Socks</u> 	
SUN PROTECTION You may wish to bring a sun hat sunscreen if you are easily sun burned.	<u>Tilley T3 Cotton Duck Hat</u>	
WOOLLEN HAT The temperature could drop suddenly at any time of year and combined with dampness, it can get rather chilly. A woollen hat can make all the difference to your comfort when sleeping outside or standing still for a while.	 Fjallraven Ovik Flat Cap or Possum Fur and Merino Wool Beanie Hat 	
WARM SLEEPING BAG Please ensure you bring an adequate sleeping bag. If you are purchasing a bag, go for one that is rated to be warmer than you think you need, you can always open it or use it as a duvet if it is too hot.	 <u>Ray Mears 3-Season Down Sleeping Bag – Black Bear</u> or <u>Ray Mears 3-Season Sleeping Bag - Osprey</u> or <u>Ray Mears 4-Season Down Sleeping Bag – Grizzly Bear</u> or <u>Ray Mears 4-Season Sleeping Bag – Golden Eagle</u> 	

<u>г</u>	
LIGHTWEIGHT TENT OR SIMILAR SHELTER	<u>Fjallraven Abisko Tarp</u> or <u>Hilleberg Tarp XP 10</u> or
You should bring some kind of shelter in which you can spend	• Hilleberg Tent or
the night of your arrival. The other nights out you will have the opportunity to either sleep under a tarp (provided by Woodlore)	
or a natural shelter.	• <u>MSR Tent</u> or
	• Ray Mears Tracker Tarp
GORE-TEX / BREATHABLE BIVVI BAG	
You will need a bivvi bag as we will be building shelters that require one during the week. This will ensure your sleeping bag	• <u>Snugpak Special Forces Bivvi Bag</u> or
remains dry. Please make sure it is made from a breathable	Snugpak Special Forces Bivvi Bag (Extra Long)
Gore-Tex or similar material. There are some fairly cost	Shugpak special forces biver bag (Likita long)
effective options available from army surplus stores.	
INSULATING SLEEPING MAT	
You could have the warmest sleeping bag but without an	• Multimat Superlite 25 Sleeping Mat or
insulative mat under you, you will feel the warmth being drawn	Therm-A-Rest Mattress
away from you by the ground.	
MUG & EATING UTENSILS	
Please bring suitable utensils for eating your meals and a mug	
for drinks. A good set up is to have a NATO crusader cup, which	• BCB NATO Crusader Cup and
can be used for meals as well as drinks, and a spoon or spork for	Optimus Titanium Folding Spork
eating with. This is perfectly adequate and keeps things simple,	<u>- f</u>
but feel free to apply your own system. Please also feel free to bring along your own stove if you would prefer.	
WATER BOTTLE (1 litre) x2	Osprey NATO Water Bottle
SMALL FIRST AID KIT AND PERSONAL MEDICATION	
Our staff will have swift access to first aid equipment at all	
times, but you will need to bring a small first aid kit including	• <u>O'Tom Tick Twister</u> and
plasters and any personal medication, including headache	<u>Uncle Bill's Sliver Gripper Tweezers</u>
tablets, reading glasses/contact lenses, inhalers etc.	
WASH KIT & TOWEL	• Grandpa's Charcoal Soap or
We provide hand washing facilities including Andy Handys and	• Grandpa's Pine Tar Body Wash or
hand soap. Please bring your own towel with you and your own	• Grandpa's Wonder Pine Tar Soap and
I many boup, I reade prints your own lower with you and your own	
washing bowl if you wish.
